Allowable Subject Matter

1. Claim 1 allowed.
2. The following is an examiner's statement of reasons for allowance:
 - a. Although prior art references disclose methods of impedance imaging of a region within a body, which employ the use of a multi-element probe to provide an electrical connection to a tissue surface including steps of applying a sequence of electrical excitation signals having different frequencies to the tissue section and measuring electrical response signals at a plurality of measuring locations on a surface of the tissue section, the prior art references do not specifically disclose the use of orthogonal lead fields to make the determination of the depth position. .

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Fangemonique Smith whose telephone number is 571-272-8160. The examiner can normally be reached on Mon - Fri 8am - 4:30pm.
